

Company Profile

Introduction

Marine & Logistics Services

Reliable Marine & Shipping Services Across Egypt

Olympic Marine is your trusted maritime partner, delivering professional shipping, port agency, and marine support services across all Egyptian ports and the Suez Canal.

About us

We offer a complete range of marine and shipping services.

Olympic Marine is an independent Egyptian maritime company specialized in shipping agency, marine services, and logistics support for vessels calling Egyptian ports or transiting the Suez Canal.

Our mission

provide reliable, cost-effective, and efficient maritime solutions while maintaining the highest standards of professionalism, transparency, and safety.

Our Services

- Suez Canal transit
- Port Call agency
- Ship Supply: Provisions, Bonded Stores, Deck & Engine Stores (IMPA items)
- Marine & Technical Support Services
- Waste Management: Garbage & Sludge
- Supply of Spare Parts, Tools & Equipment
- Safety Services, Calibration & General Marine Services
- bunker & fresh water & lubes supply

We also own and operate dedicated service boats, actively serving Port Said & Suez. Subject to service scope and vessel waiting area, special arrangements may apply, including free boat service in certain cases.

Compliance & Company Credentials:

- Fully licensed to operate and supply vessels in all Egyptian ports
- All commercial and operational licenses issued under Olympic Marine Company (Egypt)
- Official banking accounts maintained with Suez Canal Bank (Banque du Canal de Suez)

With our 24/7 operations team, rapid response, and strong local network, we are confident in our ability to support your vessels and maritime operations in Egypt.

We would be delighted to explore potential cooperation with your esteemed company.

Why Choose us ?

RELIABLE SERVICE

Fast, professional, and consistent support across all Egyptian ports.

QUALITY & COMPLIANCE

High-quality supplies and services that meet international standards.

SUSTAINABILITY COMMITMENT

Environmentally responsible practices in logistics, waste management, and marine operations.

CUSTOMER-CENTRIC APPROACH

Personalized solutions and 24/7 assistance to meet the unique needs of every vessel
